Dear Student,

Welcome to your forthcoming psychiatry clinical attachment at Hillingdon Hospital - I hope you enjoy the firm.

You will begin your clinical attachment on **Thursday 25th April 2013**. Please report to Dr Jeffrey Fehler in the Reception Area of the Riverside Centre, Hillingdon Hospital, Pield Heath Road, Uxbridge UB8 3NN, *at the back of the hospital, off Colham Green Road (see Psychiatry/Oncology teaching intranet pages for Site map links)*, at 9.30am on the Thursday. Dr Fehler will go through an induction with you.

Contact details:

*Dr Jeffrey Fehler (Undergraduate Co-ordinator): 01895 207777
Riverside Centre Reception: 01895 891000*

If you wish to travel to Hillingdon Hospital by public transport, the following options exist:

Take the underground to Uxbridge station (not Hillingdon station) on either the Piccadilly or Metropolitan lines. From there, catch the U1, U2, U3, U4 or U7 Bus from the station to the hospital.

The following buses stop at Hillingdon Hospital:

U1: (Ruislip - Uxbridge - Hayes)

U2: (Uxbridge Station to the Hospital)

U3: (Uxbridge - West Drayton - Heathrow)

U4: (Uxbridge - Hayes)

U7: (Uxbridge - Charlville Lane, Hayes North)

You may find it quicker to get to the hospital using National Rail rather than London Underground (Both require bus connections).

There are 2 railway stations in close proximity to the hospital - both have good connections to Paddington and Ealing Broadway stations. The nearest railway station to the hospital is West Drayton station. From there take the U5 or U3 bus to Hillingdon Hospital. However, you may also travel to Hayes & Harlington station and catch bus U4 to the hospital. Please see www.nationalrail.co.uk for a journey planner.

Hospital maps and a map with bus connections to the hospital are included in this induction pack and are also available on the Student Intranet. During your site induction, Dr Fehler will give you a booklet with details (including directions and maps) of the various community sites that you will visit.

Important health and safety and timetable information is enclosed with this letter so please make sure you study it carefully.

A £40 deposit is required for the key, alarm and lock that you will be provided. A cheque is preferable as should these items be returned in good order at the end of the attachment, the cheque will be discarded. These items cannot be issued to you unless the deposit has been paid. A further £100 deposit is required for the on-site room, if it has been agreed that you will occupy this during the attachment.

Timetables

Your timetables are enclosed. In addition to regular commitments, please read carefully the *Specialist Service Experience Schedule* (also enclosed), which will give you details of when you will attend specialist services.

MESSAGE FROM OLD AGE PSYCHIATRY CONSULTANTS

Dear Student

Welcome to your placement in Old Age Psychiatry. This is just a short introduction to let you know how things work. You need to refer to your timetable to find out when you will be spending time with us.

We look after people with mental health problems over the age of 65 and also younger people with dementia. We are based in the Woodland Centre which is next door to the Riverside Centre. We have 1 ward in the building, Oak Tree ward which admits patients with mental illnesses (such as depression and psychosis) and those with dementia, (most of whom also have problems with their behaviour). You can see our patients on the wards - ask the nurses to show you where you can interview them as it is best to do this in a private room but also check to make sure this is appropriate for you to do on your own. Don't worry, most of our patients are quite cooperative.

We have a Community Mental Health Team (CMHT) consisting of community nurses, support workers, occupational therapists, a psychologist and doctors. We visit elderly patients in their own homes and you may have the opportunity to come with us when we do this. Ask at the team meeting to see if there are visits to go on. Dr Conway is consultant for the CMHT.

You will usually be timetabled to attend *one* of Dr Conway's clinics. There is a clinic at the Pembroke Centre in Ruislip on a Monday morning which usually starts at 9.30am but you should check either with Dr Conway or the receptionist at the Woodland Centre to make sure of the time. If you need a lift please Dr Conway know, you will need to be at reception in the Woodland Centre 45 minutes before the clinic is due to start. Dr Conway also has a clinic in the consulting room at the Woodland Centre on a Tuesday morning which usually starts at 9.30 am but you should check with either Dr Conway or the receptionist at the Woodland Centre to check this. Please arrive a few minutes early. Check your timetable to ascertain which clinic you will be attending. Sometimes clinics are cancelled but Dr Conway will try to let you know in advance.

On Thursday mornings we have our main Community Mental Health Team meeting at 9.15 am in the Seminar Room upstairs in the Woodland Centre. Try not to be late for this.

The ward round (clinical review) for the inpatients from Oak Tree Ward takes place in the Resource Room on Oak Tree Ward in the Woodland Centre from 10am to 12pm on a Wednesday. The consultant is Dr Serra-Mestres. You are not timetabled to attend this, but you should take the time to clerk patients on Oak Tree and present them to the ST4-6 or junior doctor.

You will attend *one* of two memory clinics. A memory clinic takes place on a Thursday morning in the Woodland Centre (the Consultant is Dr Louis). There is also a memory clinic run by Nyarai Maturure, a Specialist Dementia Nurse, on a Friday morning. Both of these clinics start at 9.30am but please ensure that you arrive a few minutes early. At the memory clinic, we assess and diagnose patients with memory problems and offer treatment where appropriate.
