Welcome to your psychiatric attachment

CENTRAL MIDDLESEX HOSPITAL
(Park Royal Centre for Mental Health)

PSYCHIATRY ATTACHMENT
22nd April – 31st May

Welcome to your psychiatry clinical attachment - we hope you enjoy the firm. Your psychiatry attachment will be spent with one or two consultant general adult psychiatrists/old age and their team. You have also been allocated times for other specific activities to broaden your experience in psychiatry. These are detailed in the allocations table attached. Please study this carefully to ensure you know where you are scheduled to be and when. Important health and safety information is also enclosed in your pack please study it carefully.

Constanza Martinez is the Undergraduate Teaching Co-ordinator Tel: 020 3214 5884 or email: constanza.martinez@nhs.net . Please do not hesitate to contact Constanza if you experience difficulties with any aspect of the firm.

IMPORTANT NOTE:

The Psychiatry attachment is very different to other attachments you may have experienced before. Due to the nature of Psychiatry, it is not possible to spoon-feed you as much as you may be used to! In order to make the most of the 6 weeks, it is imperative that you take responsibility for your own learning right from the start. You must be proactive and seek out patients to clerk and doctors to present to. Find your consultants, SpRs and SHOs and introduce yourself. Don't be shy, they are expecting you and want to help.

Reporting Instructions

You will begin your psychiatry attachment on **Thursday 25th April 2013**.
